

# Sicilia

Sicilia is a glazed porcelain series with a versatile contemporary edging. This series has the appearance of natural stone with subtle variation in shading and pattern.

Light Beige (MCSALB)

Dark Beige (MCSADB)

Brochure colors are intended as a guide only and may vary from actual tile.  
Please check tile samples before making final selections.

# PRODUCT INFORMATION

## COLORS

Light Beige (MCSALB)  
 Dark Beige (MCSADB)

## SIZES

13 x 13 MCSA--/1313  
 20 x 20 MCSA--/2020  
 2 x 2 Mosaic MCSA--/22

20 x 20

13 x 13

2 x 2 Mosaic

## COORDINATING TRIM

Expect variation in color and size between field and trims.

Surface Bullnose 3 x 13 MCSA--/SBN  
 Quarter Round 13" MCSA--/A113  
 Beak MCSA--/AC113

## USAGE & INSTALLATION

Suitable for both residential and commercial installations.

Physical Properties	Norms	Value
Flexion Resistance	10545-04	50 N/mm <sup>2</sup>
Water Absorption	10545-03	≤0,5%
Abrasion Resistance	10545-07	IV
Frost Resistance	10545-12	Resistant
Chemical Resistance	10545-13	GA • GLA
Stain Resistance	10545-14	5
Slip Resistance**	ASTM C1028 C.O.F	>0.6

\*\* These results are for the natural finish and for the normal productions; if there is concern about a particular production, it should be tested. The Coefficient of Friction is a general guide only. Testing may vary with different production runs and with different testing labs.

As noted in the Americans with Disabilities Act (ADA) the coefficient of friction varies considerably due to facts not under the control of entities such as the manufacturers and distributors. These factors include, but are not limited to, contaminants, slope of terrain, drainage conditions, adjacent surfaces, etc. Suitability for any installation can only be determined by a site examination of all conditions that could affect the slip resistance of the tile being installed. Continual cleaning and maintenance must be performed once the tile has been installed. For more information see our current handout Americans with Disabilities Act and Slip Resistance of Tile.
